Supplemental Permit No. 1981-11(experimental)

July 3, 1983

Macon County Landfill, Inc.  
R. R. #8, Box 115  
Decatur, Illinois 62522

Gentlemen:

Supplemental permit is hereby to Macon County Landfill, Inc. (Permittee) to modify operations used to dispose of liquid wastes at the above referenced landfill site according to the application and plan prepared by Robert G. Krinnel, P.E., said application consisting of two pages dated June 5, 1981 and received by the Agency June 8, 1981, and one page dated May 3, 1983 and received by the Agency May 4, 1983, said plans consisting of one page dated June 4, 1981 and received by the Agency June 8, 1981.

This permit is issued subject to the following conditions:

1. This is an Experimental Supplemental Permit and shall expire July 12, 1984.
2. At the end of each days operation involving disposal of liquids and sludges, a minimum of six inches of suitable material shall be applied as daily cover.
3. This permit is subject to review and modification by the Agency as deemed necessary to fulfill the intent and purpose of Environmental Protection Act, and all applicable environmental rules and regulations.
4. This permit is issued with the expressed understanding that no process discharged to Waters of the State or to a sanitary sewer will occur from these facilities. If such discharge occurs, additional or alternate facilities shall be provided. The construction of such additional or alternative facilities may not be started until a permit for their construction has been issued by this Agency.
5. The permittee shall submit an application for supplemental permit to upgrade the groundwater monitoring program within 90 days of receipt of this permit. That application shall include plans for installing groundwater monitoring wells capable of yielding samples on a quarterly basis.
